

DISCUSSION & PRAYER

What has God done, that you are grateful for?

What's stressing me out?

SCRIPTURE

Ephesians 2:14-15 (NLT2)

For Christ himself has brought peace to us. He united Jews and Gentiles into one people when, in his own body on the cross, he broke down the wall of hostility that separated us. He did this by ending the system of law with its commandments and regulations. He made peace between Jews and Gentiles by creating in himself one new people from the two groups.

REFLECTION

Is God's direction for your life always clear to you? If so, how do you receive that direction from Him? If not, why do you think He's not making it more obvious?

As you read Ephesians 2:14-15, what kinds of hostilities do you imagine between Jews and Gentiles? What walls of hostility separate people today?

APPLICATION

What will you do to join Christ in breaking down walls of hostility and bringing greater unity in the Church (not just within New Day, also between different congregations)?

One of the things many of us miss about not gathering a large group on Sundays is the praise and worship music. How does music help to unify people?

New Day has a 21-song playlist for 2021. ([Spotify link](#) • [YouTube](#)) How and when could you incorporate these songs into your week? What good would you expect to come from that?

It's the second week of Small Group. If you haven't already, take time to go through the Small Group Covenant together, and start planning your service project: <https://www.newdaywi.com/small-groups-1> or [click here](#).
